

REMARKS/ARGUMENTS

The Applicant originally submitted Claims 1-11 in the application. In previous responses, the Applicant amended Claims 1-9 and 11-13 and added Claims 12-20. In the present office action, the Examiner has rejected dependent Claims 5 and 10 and indicated that Claims 1-4, 6-9 and 11-20 are allowed. In present response, the Applicant has amended Claims 5 and 10 to place them in condition for allowance, also. Support for the amendment can be found, for example, on page 5, lines 6-30 of the original application. Claims 1-20 are currently pending in the application.

I. Rejection of Claims 5 and 10 under 35 U.S.C. § 112

The Examiner has rejected Claims 5 and 10 under 35 U.S.C. § 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which Applicant regards as the invention. In response, the Applicant has amended Claims 5 and 10 to more clearly indicate that the graphic element is not an ASCII character but instead is employed as a text cursor. As such, the Applicant respectfully requests the Examiner to withdraw the § 112, second paragraph, rejection and allow issuance of dependent Claims 5 and 12.

II. Conclusion

In view of the foregoing amendment and remarks, the Applicant now sees all of the Claims currently pending in this application to be in condition for allowance and therefore earnestly solicits a Notice of Allowance for Claims 1-20.

The Applicant requests the Examiner to telephone the undersigned attorney of record at (972) 480-8800 if such would further or expedite the prosecution of the present application. The Commissioner is hereby authorized to charge any fees, credits or overpayments to Deposit Account 08-2395.

Respectfully submitted,
